

We are thankful that you are joining us for this 2-year, chronological reading plan. We plan to complete our reading of the entire bible beginning January 1, 2025 and ending December 31, 2026. If you have an app or website that allows you to listen, we recommend you do that AS you read. This plan also includes a chapter of Proverbs every day to help us grow daily in God's wisdom.

This is a 5-day-a-week plan, to allow you time to catch up if you fall behind. If you don't fall behind, use those two days to pray for the GracePoint family and your own spiritual health and growth!

Alongside the digital version of this plan, found at read.gracepoint.life you'll find video summaries of each Bible book, to help you better understand the history and context of what you're reading each day. Use the QR code to find that website - it should open to the current day of the month.
